

IT. With education at the heart of the solution.

Ryde High School's aim is **ACHIEVEMENT FOR ALL**. We all work to raise the expectations and achievements of all our students and promote excellence for all.

Ryde High School have been a client of Orchid's since 2002. They are a specialist languages and Arts College based on the Isle of Wight. Orchid have been involved in the procurement of the schools Dell PC's and Laptops since then. Projects that we have carried out have included a roll-out of SMART Interactive white boards and projectors, the installation of a thin client solution from Wyse and various different data cabling solutions. Orchid have set up a specialist Microsoft Schools Agreement for all of the Schools licensing.
